Adventure					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>Letterboxer</p> <p>Learn about letterboxing, an amazing adventure game played by people all over the world. To play, you'll follow clues to find a hidden box with special items inside.</p> <ol style="list-style-type: none"> 1. Get started with letterboxing 2. Find your own stamp 3. Practice solving clues 4. Search for a letterbox 5. Make a letterbox <p>When you've earned this badge, you'll know how to have fun adventures by finding and hiding letterboxes.</p>	<p>Geocacher</p> <p>Find out about geocaching. You'll search for treasure chests, called "geocaches," using a device called a GPS receiver.</p> <ol style="list-style-type: none"> 1. Prepare for your adventure 2. Learn to use a GPS receiver 3. Make a trade item 4. Go on a geocaching adventure 5. Take part in a bug's travels! <p>When you've earned this badge, you'll know how to have a geocaching adventure.</p>	<p>Night Owl</p> <p>Grow your imagination and expand what you know about the night.</p> <ol style="list-style-type: none"> 1. Take a field trip to explore the night 2. Tour your world after dark 3. Meet people who work night hours 4. Explore nature at night 5. Host an Extreme Nighttime Party <p>When you've earned this badge, you'll have uncovered the mysteries of the world after dark.</p>	<p>Traveler</p> <p>Get the travel savvy you need to make the most of your adventures, now and throughout your life.</p> <ol style="list-style-type: none"> 1. Research destinations 2. Look into fun itineraries 3. Find out how to create a budget, including ways to travel inexpensively 4. Gain travel expertise before you go 5. Take your trip—and make a memory <p>When you've earned this badge, you'll know how to plan a great trip of at least one night—whether it's around the corner or across the globe.</p>	

Animals					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>Pets</p> <p>Learn how to choose the pet that's right for you—or find out how to take the best care of a pet you already have.</p> <ol style="list-style-type: none"> 1. Find out what care different pets need 2. Keep a pet comfy 3. Help a pet stay healthy and safe 4. Make a pet feel loved 5. Feed a pet <p>When you've earned this badge, you'll know how to take care of a pet.</p>	<p>Animal Habitats</p> <p>Find out more about where animals live, how they play, and how humans can help them.</p> <ol style="list-style-type: none"> 1. Find out about wild animals 2. Investigate an animal habitat 3. Create an animal house 4. Explore endangered habitats 5. Help protect animal habitats <p>When you've earned this badge, you will know more about wild animals and how to protect their homes.</p>	<p>Animal Helpers</p> <p>Learn about the many ways animals help humans.</p> <ol style="list-style-type: none"> 1. Explore the connection between humans and animals 2. Find out how animals help keep people safe 3. Know how animals help people emotionally 4. Check out how animals help people with disabilities 5. Look at how animals might help us in the future <p>When you've earned this badge, you'll know how animals help humans and how to help them keep it up.</p>	<p>Voice for Animals</p> <p>Find out about the complex relationship between animals and humans so you can make informed choices and help others make them too.</p> <ol style="list-style-type: none"> 1. Find out about domestic animals 2. Investigate animals used for science 3. Explore animals in husbandry 4. Take a look at animals used for sports and entertainment 5. Look into an animal issue <p>When you've earned this badge, you'll better understand animal issues worldwide and know what you can do to help.</p>	

Art in the Outdoors					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Art Maker</p> <p>Explore the outdoors and use what you see and hear to make different kinds of art projects.</p> <ol style="list-style-type: none"> 1. See the colors of nature 2. Hear the sounds of nature 3. Share your outdoor art <p>When you've earned this badge, you'll know how to look at nature like an artist and make your own outdoor art.</p>	<p>Art Creator</p> <p>Find out how you can make your own art outdoors and have fun doing it.</p> <ol style="list-style-type: none"> 1. Find art ideas outdoors 2. Make something! 3. Dance or make music outdoors 4. Be a nature photographer 5. Design with nature <p>When you've earned this badge, you'll know how to do different kinds of fun art projects outdoors.</p>	<p>Art Explorer</p> <p>Let nature be your inspiration as you explore, create, and design different kinds of art.</p> <ol style="list-style-type: none"> 1. Explore outdoor art 2. Make something! 3. Find music in nature 4. Be a nature photographer 5. Design with nature <p>When you've earned this badge, you will know how to find the art in nature and create your own outdoor artwork.</p>	<p>Art Apprentice</p> <p>Find out how to observe and collect things outdoors that will drive your art and creativity.</p> <ol style="list-style-type: none"> 1. Explore art outdoors 2. Make something! 3. Get to know—and create—sounds of nature 4. Be a nature photographer 5. Design with nature <p>When you've earned this badge, you'll have been inspired outdoors and created nature-themed art.</p>	<p>Art Expert</p> <p>Learn to see nature with an artist's eye and create something helpful to the environment.</p> <ol style="list-style-type: none"> 1. Explore art outdoors 2. Make something! 3. Create or share music inspired by nature 4. Capture nature digitally 5. Design outdoors <p>When you've earned this badge, you'll have learned how to create art outdoors with a focus on the environment.</p>	<p>Art Master</p> <p>Bring art and the outdoors together and get inspired by the beauty in nature.</p> <ol style="list-style-type: none"> 1. Explore outdoor art 2. Make something! 3. Find music in nature 4. Be a nature photographer 5. Design with nature <p>When you've earned this badge, you'll have explored nature and created several different kinds of outdoor-themed art.</p>

Artist					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>Painting</p> <p>Learn to paint and color your world.</p> <ol style="list-style-type: none"> 1. Get inspired 2. Paint the real world 3. Paint a mood 4. Paint without brushes 5. Paint a mural <p>When you've earned this badge, you'll have new ideas about what to paint—and how to paint it.</p>	<p>Drawing</p> <p>Learn techniques to make your drawings even better.</p> <ol style="list-style-type: none"> 1. Experiment with different materials 2. Learn how to add shading 3. Get some perspective 4. Use your imagination like a graphic artist 5. Make your masterpiece—and show it off! <p>When you've earned this badge, you'll know some great drawing techniques.</p>	<p>Comic Artist</p> <p>Find out more about the world of comic art and then tell your own visual story.</p> <ol style="list-style-type: none"> 1. Delve into the world of comics 2. Choose a story to tell 3. Draw it out 4. Frame it in four panels 5. Add the words <p>When you've earned this badge, you'll know how to create your own comic.</p>	<p>Collage</p> <p>Find out about the world of textile arts. Then pick up your needles (or loom or spinning wheel) and make two projects.</p> <ol style="list-style-type: none"> 1. Choose your textile art 2. Find your tools and materials 3. Learn the basics 4. Make something for everyday use 5. Create a gift or item for a special occasion <p>When you've earned this badge, you'll have learned the basics of a textile art—and you'll have two fantastic projects to show for it.</p>	<p>Photographer</p> <p>Hone your artistic skills and find out how to use different types of cameras to present the world through your eyes.</p> <ol style="list-style-type: none"> 1. Explore the power of photography 2. Focus on composition--shoot five landscapes 3. Focus on light--shoot five portraits or still lifes 4. Focus on motion--shoot five action shots 5. Tell a story with photography <p>When you've earned this badge, you'll know how to capture your vision of the world in photographs.</p>

Athlete					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p><i>Honest & Fair</i></p>	<p>Fair Play</p> <p>Playing fair means that everyone has the same chance to play, because everyone follows the same rules. That's what this badge is about. You'll learn to work together to have the most fun possible. That's fair play!</p> <ol style="list-style-type: none"> 1. Follow the rules 2. Include everyone 3. Be part of a team 4. Keep score 5. Have a field day <p>When I've earned this badge, I'll know how to play fair in sports.</p>	<p>Practice w/ Purpose</p> <p>Have fun with athletics as you learn to improve a skill.</p> <ol style="list-style-type: none"> 1. Decide on your goal 2. Increase your endurance 3. Build up your strength 4. Drill for skill 5. Practice, practice, practice! <p>When you've earned this badge, you'll know how to set a sports goal and practice to achieve it.</p>	<p>Good Sportsmanship</p> <p>Find out how to make good sportsmanship a habit in games and in life.</p> <ol style="list-style-type: none"> 1. Create your own definition of sportsmanship 2. Be a good competitor 3. Be a good teammate 4. Psych yourself up 5. Put your definition of good sportsmanship into action <p>When you've earned this badge, you'll know how you define sportsmanship and will have put your definition into action.</p>	<p>Cross-Training</p> <p>Get the skills you need to customize a cross-training fitness program that's effective and fun.</p> <ol style="list-style-type: none"> 1. Set your cross-training goal 2. Start a stretching and flexibility program 3. Add a cardio element 4. Add a toning or strengthening element 5. Stay motivated to reach your goal <p>When you've earned this badge, you'll have developed a great cross-training routine that keeps your workouts interesting and fun.</p>	<p>Coaching</p> <p>Understand the important role coaches have in athletics and share your love of a sport.</p> <ol style="list-style-type: none"> 1. Begin to outline your coaching strategy 2. Conduct a first assessment 3. Design your coaching plan 4. Put your plan into action—and revise it, if necessary 5. Attend the big event, and make a final assessment <p>When you've earned this badge, you'll know what it takes for a coach to be successful.</p>

Automotive Engineer I					
Daisy	Brownie	Junior			
<p>Automotive Design</p> <p>Buckle up and explore how automotive designers imagine and make plans for a new vehicle, like a car or truck. Then, design your own!</p> <ol style="list-style-type: none"> 1. Choose special features for your vehicle 2. Sketch your vehicle 3. Sculpt and share your vehicle <p>When you've earned this badge, you'll know how people design cars.</p>	<p>Automotive Design</p> <p>Find out how automotive designers come up with ideas for new vehicles. Then, take the wheel and design your own!</p> <ol style="list-style-type: none"> 1. Explore how people move from place to place 2. Discover design criteria 3. Choose your vehicle's design criteria 4. Sketch a vehicle to meet your criteria 5. Sculpt and share your vehicle <p>When you've earned this badge, you'll know how to design, sketch, and sculpt a vehicle.</p>	<p>Automotive Design</p> <p>Do you want to take a ride in your dream car? Before you can do that, you need to design it! Discover how to create vehicles by sketching and sculpting a model.</p> <ol style="list-style-type: none"> 1. Explore mobility across time 2. Conduct automotive market research 3. Create your vehicle's design criteria 4. Sketch a vehicle to meet your criteria 5. Sculpt and share your vehicle <p>When you've earned this badge, you'll know about innovation and market research. You'll know how to create criteria, sketch, and sculpt a vehicle.</p>			

Automotive Engineer II					
Daisy	Brownie	Junior			
<p>Automotive Engineering</p> <p>Discover how automotive engineers turn ideas into real cars! Then, build, test, and improve a model of a vehicle.</p> <ol style="list-style-type: none"> 1. Create your automotive engineering plan 2. Build a vehicle prototype 3. Test your vehicle prototype <p>When you've earned this badge, you'll know how automotive engineers work together to build cars and other vehicles.</p>	<p>Automotive Engineering</p> <p>Get in gear and explore how automotive engineers build vehicles. Then, engineer your own model of a vehicle to help people during an emergency!</p> <ol style="list-style-type: none"> 1. Learn about simple machines in vehicles 2. Engineer a vehicle for safety based on criteria 3. Build a vehicle prototype 4. Test and revise your vehicle prototype 5. Share your vehicle prototype and testing results <p>When you've earned this badge, you'll know how automotive engineers plan, build, test, and improve vehicles.</p>	<p>Automotive Engineering</p> <p>Find out how automotive engineers fuel the future by building and testing vehicles. Then, create your own model of an alternative fuel vehicle!</p> <ol style="list-style-type: none"> 1. Learn about simple machines in vehicles 2. Engineer a vehicle that uses alternative fuel 3. Build a vehicle prototype 4. Test and revise your vehicle prototype 5. Share your vehicle prototype and testing results <p>When you've earned this badge, you'll know how to use the Design Thinking Process to plan, build, test, and improve prototypes.</p>			

Automotive Engineer III					
Daisy	Brownie	Junior			
<p>Automotive Manufacturing</p> <p>Fire your engines and find out how automotive manufacturers build and test vehicles to make sure they're ready for the road.</p> <ol style="list-style-type: none"> 1. Explore efficient manufacturing and assembly lines 2. Create an assembly line to manufacture vehicles 3. Examine and test your vehicles for quality <p>When you've earned this badge, you'll know how manufacturers assemble high-quality vehicles.</p>	<p>Automotive Manufacturing</p> <p>Experience the importance of having a plan and discover how manufacturers build lots of vehicles that are safe and well made!</p> <ol style="list-style-type: none"> 1. Experience the manufacturing process 2. Learn about the automotive manufacturing process 3. Plan your own automotive manufacturing process 4. Manufacture a set of vehicles 5. Share your automotive manufacturing process <p>When you've earned this badge, you'll know how vehicles are manufactured in a factory. You'll also know how to make and test products for people to buy.</p>	<p>Automotive Manufacturing</p> <p>Explore how automotive manufacturers build lots of vehicles without wasting time and how they make sure the vehicles are ready for the road!</p> <ol style="list-style-type: none"> 1. Experience the manufacturing process 2. Learn about the automotive manufacturing process 3. Plan your own automotive manufacturing process 4. Manufacture a set of vehicles 5. Innovate your automotive manufacturing process <p>When you've earned this badge, you'll know how high quality vehicles are manufactured.</p>			

Citizen					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Good Neighbor</p> <p>Find out how you can help your communities by being a good neighbor.</p> <ol style="list-style-type: none"> 1. Explore your school 2. Discover your city or town 3. See what makes your state special <p>When you've earned this badge, you'll know more about the communities you belong to—and how the people in your communities work together to be good neighbors to each other.</p>	<p>Celebrating Community</p> <p>Learn about community celebrations and find out what your communities do to celebrate all the people in them.</p> <ol style="list-style-type: none"> 1. Explore community symbols 2. Sing together 3. Follow a parade 4. Be a landmark detective 5. Join a ceremony or celebration <p>When you've earned this badge, you'll know how your community celebrates what makes it special.</p>	<p>Inside Government</p> <p>Find out more about the basics of government and start to become an active citizen.</p> <ol style="list-style-type: none"> 1. Decide what being an active citizen means to you 2. Go inside government 3. Look into laws 4. Report on the issues 5. Get involved in government <p>When you've earned this badge, you'll know more about how government is run.</p>	<p>Finding Common Ground</p> <p>Find out how people in democratic governments make trade-offs, giving up some things they favor to gain support for others.</p> <ol style="list-style-type: none"> 1. Get to know someone different from you 2. Make decisions in a group 3. Explore civil debate 4. Understand a compromise 5. Find common ground through mediation <p>When you've earned this badge, you'll know strategies for bringing people together to find common ground.</p>	<p>Behind the Ballot</p> <p>Learn about the importance of voting and find out about the electoral process in the United States and around the world.</p> <ol style="list-style-type: none"> 1. Find out more about elections 2. Investigate the ins and outs of voting 3. Get out the vote 4. Plan a campaign 5. Explore voting in other countries <p>When you've earned this badge, you'll know the importance of voting and how people get elected to office.</p>	<p>Public Policy</p> <p>Gain the knowledge you need to speak up about and act on issues that are crucial in your world.</p> <ol style="list-style-type: none"> 1. Find out how activists advocate for change 2. Engage as a global citizen 3. Dig into national or state public policy 4. Explore local or community policy 5. See public policy creation in action <p>When you've earned this badge, you'll know about public policies and how you can advocate for issues and legislation that matter to you.</p>

Civics					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Democracy for Daisies</p> <p>Meet the people who work together in your government!</p> <ol style="list-style-type: none"> 1. Find out about local government 2. Find out about state government 3. Find out about national government <p>When you've earned this badge, you will have learned about the people who work together in your government.</p>	<p>Democracy for Brownies</p> <p>Find out how people in the government decide what rules are made and how they are followed.</p> <ol style="list-style-type: none"> 1. Find out about local government 2. Find out about state government 3. Find out about our country's legislative branch 4. Find out about our country's executive branch 5. Find out about our country's judicial branch <p>When you've earned this badge, you will know the three branches of government - and some of the things they are responsible for.</p>	<p>Democracy for Juniors</p> <p>Learn more about how your government works - from your town or city to the whole country.</p> <ol style="list-style-type: none"> 1. Find out about local government 2. Find out about state government 3. Find out about our country's legislative branch 4. Find out about our country's executive branch 5. Find out about our country's judicial branch <p>When you've earned this badge, you will know more about how government works - from your town or city to the whole country.</p>	<p>Democracy for Cadettes</p> <p>If you want to make a difference, start by fully understanding how your government works. Informed citizens are change makers!</p> <ol style="list-style-type: none"> 1. Find out about local government 2. Find out about state government 3. Find out about the federal legislative branch 4. Find out about the federal executive branch 5. Find out about the federal judicial branch <p>When you've earned this badge, you will have learned new things about your government - how each branch works, how they work together, and how each piece makes a difference in society.</p>	<p>Democracy for Seniors</p> <p>Learn all about the three branches of government - and more.</p> <ol style="list-style-type: none"> 1. Find out about local government 2. Find out about state government 3. Find out about the federal legislative branch 4. Find out about the federal executive branch 5. Find out about the federal judicial branch <p>When you've earned this badge, you will have expanded your knowledge about how your local, state, and national government works.</p>	<p>Democracy for Ambassadors</p> <p>Become an expert on your government and the roles of the officials you'll help elect.</p> <ol style="list-style-type: none"> 1. Find out about local government 2. Find out about state government 3. Find out about the federal legislative branch 4. Find out about the federal executive branch 5. Find out about the federal judicial branch <p>When you've earned this badge, you will have learned more about your local, state, and national government - and you'll be ready to use that knowledge to inform your voting.</p>

Coding – Coding Basics					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
Find out how computers can be used to help others.	Find out how computer scientists write programs for computers to solve problems.	Find out how programmers write computer programs for computers to solve problems.	Find out how to write a computer program and create a meme with a positive message.	Explore how computer programming can make a positive difference in the world and write code you can share with others.	Explore the power of music and coding to spread a positive message and write code to share your own performance routine with others.
1. Create algorithms for a computer that follow a sequence. 2. Learn about women in computer science. 3. Explore sorting algorithms	1. Create algorithms for a computer that follow a sequence. 2. Use loops to improve your algorithm. 3. Use events to make things happen. 4. Learn about women in computer science. 5. Create your own set of commands that use events.	1. Create algorithms for a computer that follow a sequence. 2. Use loops to improve your algorithm. 3. Keep your code interesting with conditionals. 4. Create your own set of commands that use conditionals. 5. Learn about women in computer science.	1. Learn about functions and arguments 2. Explore how memes are created 3. Write pseudocode for a meme 4. Write shareable code 5. Share your meme	1. Use functions to create a self-portrait 2. Write code to create a self-portrait 3. Learn about computer logic 4. Explore “IF” statements 5. Use computer logic to create a quiz show	1. Learn about functions through song lyrics 2. Learn about loops through song patterns 3. Write an algorithm duet 4. Code a performance routine 5. Share your coded routine with others
When you’ve earned this badge, you’ll know how computer scientists code programs for computers to solve problems.	When you’ve earned this badge, you’ll know how programmers write programs that make computers work and how people can use computers to help others.	When you've earned this badge, you'll know how programmers write computer programs and how people can use computers to help others.	When you've earned this badge, you'll know the basics of computer coding and how to create a meme that can have an impact on other people, your community and the world.	When you've earned this badge, you'll know how to code images and how computers make decisions.	When you've earned this badge, you'll know how to write shareable code to spread a message or build community.

Coding – Digital Game Design					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Explore how video games can make a difference.</p> <p>1. Explore tools used to develop digital games</p> <p>2. Plan a maze game</p> <p>3. Build, test and improve your maze game</p> <p>When you've earned this badge, you'll know how video games are designed.</p>	<p>Explore how video games can help people to learn new skills and experience new things.</p> <p>1. Discover how game design can be used "for good"</p> <p>2. Explore tools used to develop digital games</p> <p>3. Plan a maze game</p> <p>4. Build, test and improve your maze game using iteration</p> <p>5. Create a cookie portfolio <p>When you've earned this badge, you will know how to create a resume and portfolio that highlight the skills you've gained running your cookie business.</p>

Cookie Business II					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Cookie Goal Setter</p> <p>When you sell Girl Scout Cookies®, you are running your own business. You get to work with your Girl Scout troop to decide how you will use your money. Together, you set goals and share them with real customers!</p> <ol style="list-style-type: none"> 1. Decide how you will use your money 2. Set a package goal 3. Share your goals with your customers <p>When you've earned this badge, you will know how to set and share your goals.</p>	<p>Cookie Decision Maker</p> <p>Being a decision maker is one of the ways you learn to think like an entrepreneur! To make a decision, you find out what your options are, learn about them, and work with your team to choose what to do. Then you make it happen!</p> <ol style="list-style-type: none"> 1. Get to know your Girl Scout Cookie® business 2. Decide on your giving goal 3. Build your team 4. Practice handling money and tracking sales 5. Show your cookie spirit! <p>When you've earned this badge, you will know how to make decisions that help your cookie business succeed.</p>	<p>Cookie Collaborator</p> <p>It's better to have more people to help come up with ideas and solve problems. When you work with different people (your troop, community, and network,) you can grow your cookie business. That's what collaboration is!</p> <ol style="list-style-type: none"> 1. Get to know the Girl Scout Cookie® business 2. Decide on your goals 3. Collaborate on a troop budget 4. Reach more customers 5. Learn from your customers <p>When you've earned this badge, you will know how to work with your Girl Scout team to set goals and make decisions to run your cookie business, and how to collaborate with your friends and family to connect with more customers.</p>	<p>Cookie Market Research</p> <p>Market research can help you discover ideas and get feedback about your Girl Scout Cookie® business. As a cookie entrepreneur, you explore your customers' experience to help you reach even more people. Think of yourself as a customer detective! Investigate what sets your product apart. Why do customers love buying Girl Scout Cookies? Become a market researcher and develop a marketing plan to expand your business.</p> <ol style="list-style-type: none"> 1. Know your product and resources 2. Set goals and a budget 3. Explore the Girl Scout Cookie brand 4. Develop your marketing plan 5. Create your marketing campaign <p>When you've earned this badge, you will know how to use market research to grow your cookie business and connect with customers.</p>	<p>Cookie Boss</p> <p>A large number of former Girl Scouts end up running a business. That's because the Girl Scout Cookie® Program is hands-on experience in setting goals, creating budgets, managing inventory, marketing to customers, and working as a team. The Girl Scout Cookie business also shows you how to lead with confidence. What better ingredients are there for a successful business?</p> <ol style="list-style-type: none"> 1. Take the lead in your cookie business 2. Set SMART goals 3. Team up to make business decisions 4. Make your cookie boss pitch 5. Expand your customer base <p>When you've earned this badge, you will have the skills to take the lead in your cookie business to reach your goals.</p>	<p>Cookie Influencer</p> <p>As a cookie influencer, find new ways to inspire customers and help shape how younger Girl Scouts sell cookies. People trust an influencer's suggestions and can influence what people say, do, or buy. Be a cookie influencer by becoming an authority on your cookie business and coming up with new ways to share your information so it makes a big impact.</p> <ol style="list-style-type: none"> 1. Become an authority in your cookie business 2. Set cookie business goals and develop a new skill 3. Create and share your value proposition 4. Create a marketing campaign 5. Leave a legacy <p>When you've earned this badge, you will know how to use your cookie business experience to influence customers and help younger Girl Scouts navigate their own Girl Scout Cookie® businesses.</p>

Cookie Business III – Cadette – Cookie Innovator

As an innovator, you are open to change and opportunities. You're empowered to grow, not just personally, but also with your Girl Scout Cookie® business. To earn this badge, you will innovate in two ways: One is by coming up with fresh ideas for your goals, something bolder and bigger than before. The other is by finding unique ways to reach your goals, connect with your customers, and sell cookies.

1. Master your cookie business
2. Choose a big idea, set goals, and build a budget
3. Decide how to meet your big goals
4. Explore ethics in your cookie business
5. Sell your big dream to others

When you've earned this badge, you will know how to set bigger goals for your cookie business and come up with ways to reach them.

Observe what makes a great product 2. Be an innovation detective 3. Figure out what's working and what's not 4. Innovate to find solutions 5. Mess up so you can try again! <p>When you've earned this badge, you'll know how to think like a product designer.</p>	<p>Entrepreneur</p> <p>Find out what it takes to turn a great idea into a successful business.</p> <ol style="list-style-type: none"> 1. Brainstorm business ideas 2. Improve one idea 3. Get into the financial side of things 4. Imagine creating a business 5. Practice sharing your business ideas <p>When you've earned this badge, you'll know how to think like an entrepreneur.</p>	<p>Social Innovator</p> <p>Find out how you can go from identifying a social problem to developing a social solution. Then, use what you learned to create Take Action projects that truly do change the world.</p> <ol style="list-style-type: none"> 1. Explore the big picture 2. Make connections 3. Build empathy for people affected by the issue you've identified 4. Develop a solution from a specific point of view 5. Practice pitching ideas and getting feedback <p>When you've earned this badge, you'll know how to think like a social innovator.</p>	

Investigation					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>Senses</p> <p>You have five senses that work together to let you see, hear, smell, taste, and touch the world around you. Try all five in this badge!</p> <ol style="list-style-type: none"> 1. Look around 2. Listen to the world 3. Put your nose to work 4. Take a taste test 5. Touch and feel <p>When you've earned this badge, you'll know how you use your five senses to explore the world.</p>	<p>Detective</p> <p>Try out the skills that make great detectives.</p> <ol style="list-style-type: none"> 1. Practice the power of observation 2. Communicate in code 3. Fingerprint for fun 4. Try out detective science 5. Follow the clues to solve a real mystery! <p>When you've earned this badge, you'll know how to follow clues and discover facts like a real detective.</p>	<p>Special Agent</p> <p>Use your investigative mind to take on the many roles of a special agent: detective, scientist, psychologist, enforcer of the law.</p> <ol style="list-style-type: none"> 1. Investigate investigation 2. Reveal reality 3. Try the science 4. Key in to body language 5. Practice the art of detection <p>When you've earned this badge, you'll know secrets from the worlds of forensic science and criminal psychology.</p>	<p>Truth Seeker</p> <p>Gain the skills you need to separate fact from fiction and judge sources on credibility, accuracy, reasonableness, and support for their claims.</p> <ol style="list-style-type: none"> 1. Evaluate your sources 2. Investigate what the experts say 3. Be a wise consumer 4. Find truth in your everyday life 5. Become a citizen journalist <p>When you've earned this badge, you'll be able to figure out what is true in the media, online, and what you hear in your daily life.</p>	

Manners					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p><i>Friendly & Helpful</i></p> <p><i>Considerate & Caring</i></p>	<p>Making Friends</p> <p>Find out how to make new friends, keep old friends, and be the best Brownie friend you can be.</p> <ol style="list-style-type: none"> 1. Make friendly introductions 2. Show friends you care 3. Share favorite activities 4. Learn how to disagree 5. Practice friendship! <p>When you've earned this badge, you'll know how to be a good friend.</p>	<p>Social Butterfly</p> <p>Have fun practicing the social style and good manners that will make you comfortable in any situation.</p> <ol style="list-style-type: none"> 1. Hold a conversation 2. Use table manners 3. Be prepared for special occasions 4. Say thank you 5. Practice being at ease <p>When you've earned this badge, you'll know how to act at many types of events, from picnics to weddings to parties.</p>	<p>Netiquette</p> <p>Our digital world makes it easy to stay in touch and share friendships, memories, and ideas. But we've all heard embarrassing stories in which people wish they'd never hit the "send" button. Once you've put it out there, it never goes away. But you can use that to your benefit, too. This badge is all about knowing how to make positive choices in the online world.</p> <ol style="list-style-type: none"> 1. Explore "oops!" and "wow!" moments 2. Dig into stories of "ouch" -- and repair some hurt if necessary 3. Look at e-mail, commenting, or blogging 4. Decide what makes a great social media profile 5. Spread better practices <p>When I've earned this badge, I'll know how to make -- and keep -- my online world a positive place.</p>	<p>Business Etiquette</p> <p>Learn the basic business manners that will allow you to showcase just what you're capable of.</p> <ol style="list-style-type: none"> 1. Communicate with style and confidence 2. Ace an interview 3. Try your hand at negotiating 4. Explore how to act on the job 5. Network with flair <p>When you've earned this badge, you'll know the kind of savvy you'll need to be successful in the business world.</p>	

Math in Nature – Shapes in Nature					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Nature is full of beautiful things. Look around. You can see them everywhere. You can find rainbows. You can see flowers. You can look for leaves. This badge is all about looking carefully at nature. You never know what you'll find!</p> <ol style="list-style-type: none"> 1. Search for shapes in nature 2. Find and make patterns 3. Create art inspired by nature <p>When you've earned this badge, you'll know how to identify shapes and patterns in nature. You'll also know how to create your own.</p>	<p>Nature is full of colors and shapes. Imagine a leopard's spots or a butterfly's wings. Think of a bee's honeycomb or a turtle's shell. In this badge, you'll look carefully at nature. You'll track what you see. You'll create art about it. You'll share what you find.</p> <ol style="list-style-type: none"> 1. Track natural objects 2. Graph your scavenger hunt finds 3. Make a spider web with symmetry 4. Explore tessellations 5. Count birds and share your data <p>When you've earned this badge, you'll know about counting, graphing, symmetry, and tessellations. You'll know about spiders, birds, and other natural objects.</p>	<p>What do butterfly wings, peacock feathers, seashells, and lightning have in common? They are all examples of patterns in nature. Nature is a talented artist! It uses patterns, based in math, in many creations. A pattern is when something repeats itself, like a checkerboard or stripes on a tiger. This badge is all about patterns. Explore patterns found in nature and use math to create your own.</p> <ol style="list-style-type: none"> 1. Identify symmetry in nature 2. Make symmetrical art inspired by nature 3. Create a mandala with symmetry 4. Find fractals in nature 5. Search for the Fibonacci sequence <p>When you've earned this badge, you'll know about symmetry, fractals, and the Fibonacci sequence. You'll have identified patterns and shapes in nature.</p>			

Math in Nature – Numbers in Nature					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>How tall are you? How tall is a giraffe? How about a chipmunk? How can you know? Explore how to measure objects with this badge. Measuring lets you know the size or weight of something. You'll measure different things. You'll create your own way to measure nature, too!</p> <ol style="list-style-type: none"> 1. Search for shadows 2. Sort natural objects 3. Make your own unit of measurement <p>When you've earned this badge, you'll know about shadows, measurement, sorting, and estimating.</p>	<p>Do you like the feel of sun or sea water on your skin? Do you like the smell of flowers or pine trees? Have you ever listened to the birds? Touch, taste, smell, sight, and hearing are all ways to sense or understand the world around us. This badge is all about understanding nature. You'll use your senses to gather information. You'll use other tools to learn even more about nature.</p> <ol style="list-style-type: none"> 1. Explore temperature 2. Measure the length of leaves 3. Graph your leaf data 4. Find space to grow 5. Plot and plant a garden <p>When you've earned this badge, you'll know how to measure temperature and length. You'll know about square feet and how to create a diagram and grid. You'll have explored leaves and gardening.</p>	<p>How do you know what time it is? How do you know what the weather will be like? Can you figure out how old a tree is by looking at it? Math can be used to tell us all kinds of things about nature, from how tall or old a tree is to the weather or time. In this badge, you'll do all of these things!</p> <ol style="list-style-type: none"> 1. Tell time with nature 2. Predict the weather 3. Explore the circumference of trees 4. Search for shadows 5. Find the area and perimeter of plants <p>When you've earned this badge, you'll know how to use math to tell time, predict the weather, and learn about trees. You'll know how to measure shadows, perimeter, and area.</p>			

Math in Nature – Design with Nature					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Have you ever gone on a hike and wondered where the animals are? Have you ever wanted to go birdwatching?</p> <p>You can listen to nature. You can look at nature. In this badge, you'll explore nature. You'll think about what you see. You'll make and do things in nature.</p> <ol style="list-style-type: none"> 1. Measure with birds 2. Identify parts of nature 3. Make a map <p>When you've earned this badge, you'll know how to use math to identify and sort things in nature. You'll also know how to create a map.</p>	<p>Plants, bees, and birds are fascinating! They're all part of nature. This badge is all about using math to do things in nature. Math can help you design a garden, build a bird feeder, and explore the world of bees.</p> <ol style="list-style-type: none"> 1. Calculate the age of a natural object 2. Explore the shape of beehives 3. Measure and build a bird feeder 4. Use ratios to make bird food 5. Graph data about birds <p>When you've earned this badge, you'll know about bees, butterflies, birds, and other natural objects. You'll know how to calculate the age of natural objects, use scale and ratios, measure, and make a graph.</p>	<p>Have you been camping? Imagine the perfect hike and campout? Beautiful trails, interesting sights, a cozy campground and a delicious meal?</p> <p>Enjoying time in nature often requires planning. Before you venture out, you need to decide on things like: Where will you go? How long will it take? What supplies would you need? These are all important things to think about as you get ready for your hiking adventure. In this badge, you'll use math to help you plan and organize a hike and campout.</p> <ol style="list-style-type: none"> 1. Find your hiking pace 2. Choose a hiking trail 3. Find changes in elevation on a map 4. Decide how much food and water to bring 5. Pack for your adventure <p>When you've earned this badge, you'll know about different types of maps. You'll know how to calculate distance, pace, elevation changes, and area.</p>			

Mechanical Engineer I					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Board Game Design</p> <p>Engineers are people who like to know how things work. They design and builds thing people use every day, like computers, phones, roads, bridges and cars. They use their imaginations to solve problems and create new products. Create board games and engineer your own game spinner.</p> <ol style="list-style-type: none"> 1. Come up with an idea for your board game. 2. Design a spinner for your game. 3. Test your game and make it better. <p>When you're earned this badge, you'll have created your own board game and learned what inventors and engineers do.</p>	<p>Leap Bot Design</p> <p>Design, build, and test things like an engineer as you create your own Leap Bot.</p> <ol style="list-style-type: none"> 1. Learn about springs 2. Build your Leap Bot 3. Create a way to test how well your Leap Bot performs 4. Record the results of your test 5. Share your results <p>When you've earned this badge, you'll have learned about engineering, gravity, and force by building and testing a Leap Bot. You will know how to build and test a new product.</p>	<p>Paddle Boat Design</p> <p>Explore how paddle boats work and engineer your own paddle boat.</p> <ol style="list-style-type: none"> 1. Explore how paddle boats work 2. Design and build a rubber band-powered paddle boat 3. Test your rubber band-powered paddle boat 4. Analyze and share your results 5. Brainstorm ways to improve your design <p>When you've earned this badge, you'll know how to build and test a paddle boat and understand buoyancy, potential energy, and kinetic energy.</p>			

Mechanical Engineer II					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Roller Coaster</p> <p>Engineers use their imaginations to solve problems. They invent and build things that can be used in the real world. Engineer your own roller coaster to see how its design affects its speed.</p> <ol style="list-style-type: none"> 1. Make a simple roller coaster car. 2. Build a model of a roller coaster. 3. Test your roller coaster. <p>When you've earned this badge, you'll have learned about engineering and motion by building and testing a roller coaster.</p>	<p>Fling Flyer</p> <p>Work like an engineer to create a Fling Flyer, an airplane you'll make, and explore what keeps it and other things, such as birds, planes, and space ships, in the air.</p> <ol style="list-style-type: none"> 1. Learn about forces that affect flight 2. Design and build a Fling Flyer 3. Test your Fling Flyer 4. Analyze and share your results 5. Brainstorm ways to improve your design <p>When you've earned this badge, you'll have learned about the forces that affect flight as you design, build, and test a Fling Flyer. You'll know how to design an investigation—and fine-tune your design after testing it, just like engineers.</p>	<p>Crane Design</p> <p>Learn about simple machines and how they work together as you build your own heavy-lifting crane.</p> <ol style="list-style-type: none"> 1. Explore simple and compound machines 2. Design and build a crane 3. Test your crane 4. Analyze and share your results 5. Brainstorm ways to improve your design <p>When you've earned this badge, you'll know how to build and test a crane and understand simple and compound machines.</p>			

Mechanical Engineer III					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Model Car Design</p> <p>When engineers design something new, they need to think about forces like gravity and friction. Friction is a force that slows and stops moving objects. Build a model car and test the friction of your car on different surfaces.</p> <ol style="list-style-type: none"> 1. Design and build model cars. 2. Use model cars to test the friction of different surfaces. 3. Race your cars! <p>When you've earned this badge, you'll have learned about friction by building and testing model cars. You'll know how to design and test new things that you invent.</p>	<p>Race Car</p> <p>Design, build, and test your own race car to explore how science can make a faster race car!</p> <ol style="list-style-type: none"> 1. Learn how design can affect speed 2. Design and build your race car 3. Design your racetrack 4. Conduct a fair test and record results 5. Share what you learned <p>When you've earned this badge, you'll have designed a race car and a race track and carried out "fair tests" to learn how design affects speed.</p>	<p>Balloon Car Design</p> <p>Learn about air power and create an alternative fuel car.</p> <ol style="list-style-type: none"> 1. Learn about potential and kinetic energy 2. Design and build a balloon car 3. Test your balloon-powered car 4. Analyze and share results 5. Brainstorm ways to improve your design <p>When you've earned this badge, you'll know how to engineer a balloon-powered car and understand potential energy, kinetic energy, and jet propulsion.</p>			

Naturalist					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>Bugs</p> <p>Explore the world of bugs and learn more about these little creatures that do so much.</p> <ol style="list-style-type: none"> 1. Draw a bug poster 2. Try a bug craft 3. See bugs in action 4. Explore bug homes 5. Take a bug field trip <p>When you've earned this badge, you'll know all about bugs.</p>	<p>Flowers</p> <p>Discover that there's more to flowers than just good looks.</p> <ol style="list-style-type: none"> 1. Uncover the science of one flower 2. Look under the petals 3. Find out how flowers help people 4. Have fun with flowers 5. Send a message in flower code <p>When you've earned this badge, you'll know all that's wonderful about flowers.</p>	<p>Trees</p> <p>Find out all about trees: from the shade to the science, the fruit to the forest and the legends to the lumber.</p> <ol style="list-style-type: none"> 1. Try some tree fun 2. Dig into the amazing science of trees 3. Make a creative project starring trees 4. Explore the connection between people and trees 5. Help trees thrive <p>When you've earned this badge, you'll have gone to the root of what trees are all about—and branched out as a naturalist.</p>	<p>Sky</p> <p>The sky is a masterpiece. Every day it graces us with living art, whether through a glorious sunset, shifting cloud formations, or the stunning display of night stars. No wonder we take every opportunity to spend time outdoors. Our world is a stage, and the sky performs with beauty, wonder, and mystery.</p> <ol style="list-style-type: none"> 1. Watch the skies 2. Investigate the science of the skies 3. Explore the connection between people and flight 4. Help clear sky pollution 5. Create sky art <p>When I've earned this badge, I'll understand the sky -- from science to stars to stories.</p>	<p>Water</p> <p>Find out more about water and reflect on the role water plays in your life and our world.</p> <ol style="list-style-type: none"> 1. Have fun reflecting on your relationship with water 2. Celebrate water art—and create your own 3. Find out about water issues 4. Explore water solutions 5. Educate and inspire <p>When you've earned this badge, you'll have dived deep into water—from its scientific origins to the joy of splashing around.</p>

Outdoor Explorer					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>Outdoor Adventurer</p> <p>Explore outdoor activities that are new to you.</p> <ol style="list-style-type: none"> 1. Play outdoors in a new way 2. Explore nature 3. Buddy up and play outdoor games 4. Learn a camp skill 5. Care for the outdoors <p>When you've earned this badge, you'll have tried a lot of new things outdoors and learned which activities you want to do again.</p>	<p>Horseback Riding</p> <p>Find out about horse behavior and riding basics.</p> <ol style="list-style-type: none"> 1. Know the basics of horseback riding 2. Take care of a horse and learn about safety 3. Prepare for your ride 4. Practice your ride 5. Go for a ride <p>When you've earned this badge, you'll know what it takes to be a good rider—from understanding horse body language to controlling the horse's speed while you're riding.</p>	<p>Archery</p> <p>Find out about archery, an exciting sport that takes strength, focus, good form, and practice.</p> <ol style="list-style-type: none"> 1. Get to know archery equipment 2. Learn about archery safety 3. Practice archery before you go on a range 4. Shoot on an archery range 5. Create an archery challenge <p>When you've earned this badge, you'll know how to take aim outdoors with your archery skills.</p>	<p>Paddling</p> <p>Choose one of three paddling activities—canoeing, kayaking, or standup paddleboarding (SUP)—and learn the knowledge and skills you need to have an unforgettable experience.</p> <ol style="list-style-type: none"> 1. Explore the three paddling sports 2. Learn paddling safety 3. Practice paddling techniques 4. Go on a short paddling adventure 5. Take your paddling skills to the next level <p>When you've earned this badge, you'll have paddling skills and know how to be safe—and have fun—on the water.</p>	<p>Ultimate Recreation</p> <p>Go on five adventures where you can step up your outdoor skills and do things you've never done before. You decide what you'll do, where you'll go, and what your goals will be.</p> <ol style="list-style-type: none"> 1. Experience an ultimate adventure on a trail 2. Take the ultimate camping trip 3. Dive into an ultimate water adventure 4. Go on the ultimate offbeat adventure 5. Do an ultimate recreation challenge unique to your area <p>When you've earned this badge, you'll have planned and taken five outdoor adventures that challenged and transformed you.</p>

Outdoor					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>Hiker</p> <p>Find out what you need to know to become a Brownie hiker.</p> <ol style="list-style-type: none"> 1. Decide where to go 2. Try out a hiking skill 3. Pick the right gear 4. Pack a snack for energy 5. Go on your hike! <p>When you've earned this badge, you'll know how to hit the trail for a hike.</p>	<p>Camper</p> <p>Find out how to plan a camping adventure.</p> <ol style="list-style-type: none"> 1. Start planning your adventure 2. Gain a new camping skill 3. Find your inner camp chef 4. Try a new activity 5. Head out on your trip—and have some nighttime fun! <p>When you've earned this badge, you'll know how to have a great overnight camping trip at a campsite or cabin.</p> <p>**Please note: This is the same badge & requirements that are listed under the Troop Camping section**</p>	<p>Trailblazing</p> <p>Gain new outdoor skills when you stay at least one night at a backwoods or primitive site.</p> <ol style="list-style-type: none"> 1. Start planning your adventure 2. Get your body and your teamwork skills ready 3. Create your menu 4. Gain some trailblazing know-how 5. Head out on the trail <p>When you've earned this badge, you'll know how to take a safe and fun overnight backpacking trip.</p>	<p>Adventurer</p> <p>Go on a multi-day high-adventure challenge: rock climbing, spelunking, ice caving, skiing, canoeing, kayaking, biking, rafting—or a combination!</p> <ol style="list-style-type: none"> 1. Enhance your adventure 2. Get in the team spirit—and refine your teamwork 3. Know your gear 4. Plan your service to the great outdoors 5. Capture the adventure <p>When you've earned this badge, you'll know how to go on a multiday outdoor adventure trip with friends and Girl Scout sisters.</p>	

Performance					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>Dancer</p> <p>Learn fun warm-ups, perform steps from new dances, and make a dance of your very own.</p> <ol style="list-style-type: none"> 1. Warm up and get moving 2. Try a new dance 3. Take to the floor like a dancer 4. Make up your own dance 5. Show your moves! <p>When you've earned this badge, you'll have explored the world of dancing—and found the dancer inside of you.</p>	<p>Musician</p> <p>Find out more about the fun of making music.</p> <ol style="list-style-type: none"> 1. Explore how music is made 2. Travel around the world of music 3. Check out the music in your life 4. Make your own music 5. Perform your music <p>When you've earned this badge, you'll know how music is made and how to perform music yourself.</p>	<p>Public Speaker</p> <p>Work on your stage presence and develop your onstage skills.</p> <ol style="list-style-type: none"> 1. Get a feel for performing solo 2. Focus on body language 3. Find your voice 4. Choose or create a piece to perform 5. Get onstage! <p>When you've earned this badge, you'll have found your inner performer and be unafraid to speak up.</p>	<p>Troupe Performer</p> <p>Find out what goes into putting on a show.</p> <p>Pick your performance style Find and develop material Rehearse! Launch your performance Put on your show</p> <p>When you've earned this badge, you'll know how to organize a team of people and put together a performance.</p>	

Practical Life Skills					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>My Great Day</p> <p>Try out ways to get organized and learn how to help your family and friends stay organized too.</p> <ol style="list-style-type: none"> 1. Start your day right 2. Sort out your stuff 3. Make homework a breeze 4. Plan ahead 5. Help others get organized <p>When you've earned this badge, you'll be able to organize yourself to have a great day every day.</p>	<p>Independence</p> <p>Get to know yourself and what you're capable of so you can feel confident on your own.</p> <ol style="list-style-type: none"> 1. Get transportation smart 2. Make your clothes look great 3. Break a bad habit 4. Help around the house 5. Show off your independence! <p>When you've earned this badge, you'll feel more confident doing things on your own—and know how to help others be confident in you.</p>	<p>Babysitter</p> <p>Gain the skills that will help you become the best babysitter you can be.</p> <ol style="list-style-type: none"> 1. Get to know how kids develop 2. Prepare for challenges 3. Focus on play 4. Find potential employers 5. Practice your babysitting skills <p>When you've earned this badge, you'll be prepared to babysit and will have tried out your skills on the job.</p>	<p>Car Care</p> <p>Master maintenance tips that keep a car in top form and driving skills that will help you rule the road safely.</p> <ol style="list-style-type: none"> 1. Get a handle on basic car maintenance 2. Investigate vehicle safety 3. Research safe driving practices 4. Find out what to do in case of an emergency 5. Drive for a greener world <p>When you've earned this badge, you'll know tips for driving safely and how to take care of a car.</p>	<p>College Knowledge</p> <p>From test prep to financial aid, explore the ins and outs of the college admissions process.</p> <ol style="list-style-type: none"> 1. Explore your options 2. Start the admissions process 3. Make a financial plan 4. Get set for success 5. Build healthy habits <p>When you've earned this badge, you'll understand the steps in the college admissions process and be prepared to attend the school of your choice.</p>

Robotics I					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>What Robots Do</p> <p>Learn about the many things robots do. Then, work in teams, like engineers, to design a robot that solves an everyday problem.</p> <ol style="list-style-type: none"> 1. Learn about robots 2. Find out what robots can do 3. Team up to design your own robots <p>When you've earned this badge, you'll know about the many things robots can be designed to do.</p>	<p>Programming Robots</p> <p>Learn about the robot brain by engineering a machine that helps a robot to land</p> <ol style="list-style-type: none"> 1. Learn how robots work 2. Discover the robot brain 3. Learn about programming 4. Try simple programming 5. Code a robot <p>When you've earned this badge, you'll know how to create a program that could be run by a robot.</p>	<p>Programming Robots</p> <p>Engineer a simple machine that helps a robot land, learn about the robot brain, and create programs for your friends.</p> <ol style="list-style-type: none"> 1. Learn how robots work 2. Discover the robot brain 3. Learn about programming 4. Try simple programming 5. Code a robot <p>When you've earned this badge, you'll know how robots receive instructions in a way similar to the human brain. You will be able to create simple programs that could be run by a robot.</p>	<p>Programming Robots</p> <p>To help you understand how robots work, learn about the parts that make up a robot. Get started with electronics by making a simple sensor, something robots use to function without human operators. Then practice coding robots using important programming concepts like functions and loops.</p> <ol style="list-style-type: none"> 1. Learn about robots 2. Build a robot part: simple sensors 3. Make a box model robot with sensors 4. Learn about programming 5. Write a program for a robot <p>When you've earned this badge, you'll understand how robots work and how to control them.</p>	<p>Programming Robots</p> <p>To understand more about how robots work, explore the parts and systems that make up a robot, and then learn about different ways to control a robot, including computer programming.</p> <ol style="list-style-type: none"> 1. Learn about robots 2. Build a robot part: robot arm 3. Learn how robot systems work together 4. Learn about programming 5. Write a program for a robot <p>When you've earned this badge, you'll understand how robots work and how to control them.</p>	<p>Programming Robots</p> <p>To help you understand how robots work, learn about the parts that make up a robot. Get started by making a simple motorized robot to see how robot parts work together. Then practice coding robots, using important programming concepts, like functions and loops.</p> <ol style="list-style-type: none"> 1. Learn about robots 2. Build a robot model: motorized robot 3. Explore the way robotics systems work together 4. Learn about programming 5. Write a program for a robot <p>When you've earned this badge, you'll understand how robots work and how to control them.</p>

Robotics II					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>How Robots Move</p> <p>Think you might be a good robot? See if you can follow your programmer's algorithm. Then become a programmer and create algorithms for robots and friends.</p> <ol style="list-style-type: none"> 1. Learn about the parts of a robot 2. Find out how robots move 3. Make a robot move <p>When you've earned this badge, you'll know how to create a program that could be run by a robot.</p>	<p>Designing Robots</p> <p>Team up with your fellow Brownies to design a robot. Plan, build, and share your robot prototype.</p> <ol style="list-style-type: none"> 1. Explore how robots imitate nature 2. Learn about the parts of a robot 3. Plan your robot 4. Create a prototype 5. Get feedback on your robot <p>When you've earned this badge, you'll know how to plan, build, and share feedback like an engineer by creating a prototype of a robot that helps other people or animals.</p>	<p>Designing Robots</p> <p>Plan and build a prototype of a robot that solves a global problem.</p> <ol style="list-style-type: none"> 1. Discover the future of robots 2. Determine your robot's expertise 3. Plan your robot 4. Create a prototype 5. Get feedback on your robot <p>When you've earned this badge, you'll know how to plan, build, and share feedback like an engineer by creating a prototype of a robot that solves a global problem.</p>	<p>Designing Robots</p> <p>Build a prototype of a new kind of robot that could help someone to overcome a daily obstacle. Decide on a challenge, brainstorm solutions, plan, build a prototype, and test it to see how well it meets the challenge.</p> <ol style="list-style-type: none"> 1. Pick a challenge 2. Explore possible solutions 3. Plan your prototype 4. Build a prototype 5. Get feedback on your robot <p>When you've earned this badge, you'll know how to design a robot and build a prototype.</p>	<p>Designing Robots</p> <p>Build a prototype of a new kind of robot that helps or replaces people who work in difficult or dangerous situations. Decide on a challenge, brainstorm solutions, plan, build a prototype, and test it to see how well it meets the challenge.</p> <ol style="list-style-type: none"> 1. Pick a challenge 2. Explore possible solutions 3. Plan your prototype 4. Build a prototype 5. Get feedback on your robot <p>When you've earned this badge, you'll know how to design a robot and build a prototype.</p>	<p>Designing Robots</p> <p>Explore the Design Thinking Process as you build a model of a social robot that can make life better for others. Decide on a challenge, brainstorm solutions, plan, build a prototype, and test it to see how well it meets the needs it is designed to address.</p> <ol style="list-style-type: none"> 1. Pick a challenge 2. Explore possible solutions 3. Plan your prototype 4. Build a prototype 5. Get feedback on your robot <p>When you've earned this badge, you'll know how to design a robot and build a prototype.</p>

Robotics III					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Design a Robot</p> <p>Now that you know what robots can do and how they do it, it's time to design your own! Plan and build a prototype of your robot that solves an everyday problem.</p> <ol style="list-style-type: none"> 1. Plan your robot 2. Create a prototype 3. Get feedback on your robot <p>When you've earned this badge, you'll know how to design a robot that solves an everyday problem.</p>	<p>Showcasing Robots</p> <p>After engineers build their robots, they show them to others and enter them into challenges and competitions.</p> <ol style="list-style-type: none"> 1. Create a presentation to share how you designed your robot 2. Tell others how you designed your robot 3. Learn about robotics competitions 4. Learn about robotics teams 5. See robots in action <p>When you've earned this badge, you'll know how to share your robot with others.</p>	<p>Showcasing Robots</p> <p>Now that you have your robot prototype, create a presentation and share your design with others. Then, find out about robot teams and competitions.</p> <ol style="list-style-type: none"> 1. Create a presentation to share how you designed your robot 2. Tell others how you designed your robot 3. Learn about robotics competitions 4. Learn about robotics teams 5. See robots in action 	<p>Showcasing Robots</p> <p>After engineers build a working version of their robots, they release them to the public. They may enter them into challenges and competitions or market them through a website or crowd-funding campaign. Now that you've built your robot, share your design with others and explore a future in robotics.</p> <ol style="list-style-type: none"> 1. Learn about robotics events and organizations 2. Create a presentation about your robot 3. Present your robot pitch to others for feedback 4. Find out about robotics opportunities for teens 5. See robot makers and robots in action <p>When you've earned this badge, you'll know how to share your robot designs with the world.</p>	<p>Showcasing Robots</p> <p>After engineers build their robots, they show them to others and enter them into challenges and competitions. Now that you've built your robot prototype, it's time to share your design with others.</p> <ol style="list-style-type: none"> 1. Create a presentation about your robot 2. Present your robot pitch to others for feedback 3. Hold a mini robotics competition 4. Explore robotics opportunities in high school, college, and beyond 5. See robot makers and robots in action <p>When you've earned this badge, you'll know how to share your robot designs with the world.</p>	<p>Showcasing Robots</p> <p>After engineers build their robots, they share their work with others through challenges, competitions, or marketing campaigns. Now that you've built your robot, share your design with others and explore your future with robotics.</p> <ol style="list-style-type: none"> 1. Learn about robotics events 2. Hold a mini robotics event 3. Give a presentation about your robotics activities 4. Find out about robotics career opportunities 5. See robot makers and robots in action <p>When you've earned this badge, you'll know how to share your robot designs with the world.</p>

Science & Technology					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>Home Scientist</p> <p>Find out where science has been hiding in your home.</p> <ol style="list-style-type: none"> 1. Be a kitchen chemist 2. Create static electricity 3. Dive into density 4. Make something bubble up 5. Play with science <p>When you've earned this badge, you'll be able to see the science all around you.</p>	<p>Entertainment Tech</p> <p>Explore the ins and outs of entertainment technology.</p> <ol style="list-style-type: none"> 1. Animate your own artwork 2. Dig into video game development 3. Try the science of amusement park rides 4. Create your own special effects 5. Surf a sound wave <p>When you've earned this badge, you'll know the science behind the world of entertainment.</p>	<p>Science of Happiness</p> <p>Find out how scientists measure happiness and put their results into action.</p> <ol style="list-style-type: none"> 1. Make yourself happier 2. Think differently for happiness 3. Get happy through others 4. Do a helpful happiness experiment 5. Create a happiness action plan <p>When you've earned this badge, you'll know how to use the science of happiness to make your world the happiest place it can be.</p>	<p>Science of Style</p> <p>Use the science of style to create and imagine your own products.</p> <ol style="list-style-type: none"> 1. Test skin care and makeup 2. Examine the science behind fabrics and accessories 3. Explore the science behind hair products and perfume 4. Investigate the sociology of style 5. Formulate future style <p>When you've earned this badge, you'll know the science behind makeup, perfume, fashion fabrics, and skin care products.</p>	

Snow or Climbing					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Choose your adventure: Be active outside in the snow, or boulder on a rock climbing wall using just your arms and legs—no rope or harness!</p> <p>1. Choose your outdoor adventure 2. Prepare for your adventure 3. Go on your outdoor adventure</p> <p>When you've earned this badge, you'll know how to do active and fun things in the snow, or boulder up a rock climbing wall in an indoor gym without a rope or harness.</p>	<p>Choose your adventure: Ski along trails on a cross-country winter adventure, or learn climbing skills on an artificial wall, indoors or outdoors.</p> <p>1. Choose your outdoor adventure 2. Plan and prepare 3. Gather your gear 4. Train for your adventure 5. Go on your outdoor adventure</p> <p>When you've earned this badge, you'll have planned and learned the skills for cross-country skiing or rock climbing on a climbing wall.</p>	<p>Choose your adventure: Go downhill skiing/snowboarding, or recreational tree climbing.</p> <p>1. Choose your outdoor adventure 2. Plan and prepare 3. Gather your gear 4. Set a goal and train for your adventure 5. Go on your outdoor adventure</p> <p>When you've earned this badge, you'll have learned the skills for—and experienced—downhill skiing, snowboarding or recreational tree climbing.</p>	<p>Choose your adventure: Go on a skiing/snowboarding trip or have an outdoor climbing adventure.</p> <p>1. Choose your outdoor adventure 2. Plan and prepare 3. Gather your gear 4. Set a goal and train for your adventure 5. Go on your outdoor adventure</p> <p>When you've earned this badge, you'll have planned, learned the skills for and experienced a snowboarding or ski trip or an outdoor climbing adventure.</p>	<p>Choose your adventure: Camp in the snow, or advance your rock climbing skills on an outdoor climbing trip.</p> <p>1. Choose your outdoor adventure 2. Plan and prepare 3. Gather your gear 4. Set a goal and train for your adventure 5. Go on your outdoor adventure</p> <p>When you've earned this badge, you'll have planned and learned the skills to take an overnight snow camping trip or a 2-day outdoor climbing trip.</p>	<p>Choose your adventure: Go on a 3-day winter backpacking trip or a 3-day outdoor climbing trip.</p> <p>1. Choose your outdoor adventure 2. Plan and prepare 3. Gather your gear 4. Set a goal and train for your adventure 5. Go on your outdoor adventure</p> <p>When you've earned this badge, you'll have planned, prepared for and completed a 3-day winter backpacking trip or a 3-day outdoor climbing trip.</p>

Space Science					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Explorer Badge</p> <p>Explore and observe the sky like a real space scientist.</p> <ol style="list-style-type: none"> 1. Explore the Sun 2. Observe the Moon 3. Meet the Stars <p>When you've earned this badge, you'll have explored and observed the Sun, Moon, and stars.</p>	<p>Adventurer</p> <p>Investigate the complexities of the sky as you learn to see things in a new way.</p> <ol style="list-style-type: none"> 1. Meet the neighbors 2. See more than before 3. Investigate the Moon 4. Be a stargazer 5. Celebrate and share <p>When you've earned this badge, you'll know how to investigate the Sun, Moon, planets, and stars.</p>	<p>Investigator</p> <p>Venture through the Solar System and beyond, and see that space is even bigger than you may have imagined.</p> <ol style="list-style-type: none"> 1. Model the Solar System 2. Circle the Sun 3. Discover the stars 4. Use the tools to explore 5. Share your sky <p>When you've earned this badge, you'll understand that the Earth orbits the Sun, and how far away the Sun, Moon, planets, and stars are from our home planet, Earth.</p>	<p>Researcher Badge</p> <p>Observe and explore light, deepening your understanding of the sun, stars and other objects in space.</p> <ol style="list-style-type: none"> 1. What more can you see? 2. Explore "invisible" light 3. See the stars in a new way 4. Expand your vision 5. Conserve the night sky <p>When you've earned this badge, you'll understand more about the amazing properties of light and how you use it to make discoveries about the universe and space science.</p>	<p>Expert Badge</p> <p>Explore light and discover what it teaches us about the universe!</p> <ol style="list-style-type: none"> 1. Uncover the stuff you're made of 2. Explore the brilliance of the stars 3. Discover telescopes as light collectors 4. Find the light in the darkness 5. Share your knowledge <p>When you've earned this badge, you'll understand more about the universe—your place in it and how light is used to make discoveries about it.</p>	<p>Master Badge</p> <p>Explore, observe, design and communicate your space science discoveries—just like scientists and engineers.</p> <ol style="list-style-type: none"> 1. Discover worlds beyond Earth 2. Dive into NASA science 3. Explore your interests 4. Dig deeper 5. Share what you've learned <p>When you've earned this badge, you'll understand more about space science and how you can be a part of NASA now and in the future.</p>

STEM Career Exploration					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>Find out how all the things you love - like camping, baking, and walking your dog - can become a job that changes the world. Then, create a plan to turn your dreams into a reality!</p> <ol style="list-style-type: none"> 1. Explore your interests 2. Discover the possibilities 3. Learn about the day-to-day 4. Brainstorm your next steps 5. Share your goals <p>When you've earned this badge, you'll know how to use STEM to help others.</p>	<p>Explore what you're interested in and what you care about. Then, create a plan for how you'll change the world!</p> <ol style="list-style-type: none"> 1. Explore your interests 2. Discover the possibilities 3. Learn about the day-to-day 4. Brainstorm your next steps 5. Share your goals <p>When you've earned this badge, you'll know about STEM careers that make the world a better place.</p>	<p>Explore careers that make a difference. Then, map out how you'll help others and change the world!</p> <ol style="list-style-type: none"> 1. Explore how you want to make a difference 2. Discover your career possibilities 3. Learn about the day-to-day 4. Brainstorm your next steps 5. Map your career path <p>When you've earned this badge, you'll know about STEM careers and how you can make the world a better place.</p>		

Storytelling					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
	<p>My Family Story</p> <p>Find out more about your family—the people you love and who love you.</p> <ol style="list-style-type: none"> 1. Explore family stories 2. Know where your family is from 3. Make a story tree 4. Find an object that means something to your family 5. Share your family story <p>When you've earned this badge, you'll know how to tell your family story.</p>	<p>Scribe</p> <p>Explore what you can do with words and find out how you can encourage, entertain, and excite people with your writing.</p> <ol style="list-style-type: none"> 1. Start with a poem 2. Create a short story 3. Use words to share who you are 4. Write an article 5. Tell the world what you think <p>When you've earned this badge, you'll know how to write different kinds of stories—both true tales and ideas from your imagination.</p>	<p>Screenwriter</p> <p>Try your hand at writing for the big (or small) screen.</p> <ol style="list-style-type: none"> 1. Decide what makes a good script good 2. Come up with an idea for a story 3. Get to know your characters 4. Build the plot 5. Write a 12-page script—and share it! <p>When you've earned this badge, you'll know how to create a screenplay for a show or movie.</p>	<p>Novelist</p> <p>Experience the fun of a novelist's career and learn the steps involved in writing a novel. Then, write your own work of fiction.</p> <ol style="list-style-type: none"> 1. Deconstruct a novel 2. Create great characters 3. Develop a plot 4. Write at least 20 pages 5. Edit your pages <p>When you've earned this badge, you'll know what it takes to write a great novel and you'll have written at least 20 pages of your own.</p>	

Trail Adventure					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Choose your adventure: Jog while you explore outdoors or go on a hike and play games.</p> <ol style="list-style-type: none"> 1. Choose your outdoor adventure 2. Prepare for your adventure 3. Go on your outdoor adventure <p>When you've earned this badge, you'll know how to go on an adventurous jog or play outdoor hiking games.</p>	<p>Choose your adventure: Go trail running, or take different kinds of hikes.</p> <ol style="list-style-type: none"> 1. Choose your outdoor adventure 2. Plan and prepare 3. Gather your gear 4. Train for your adventure 5. Go on your outdoor adventure <p>When you've earned this badge, you'll have planned and learned the skills for an outdoor trail run or 3 different types of hikes.</p>	<p>Choose your adventure: Go on a trail run for a distance that challenges you, or train for and go on 3 separate day hikes.</p> <ol style="list-style-type: none"> 1. Choose your outdoor adventure 2. Plan and prepare 3. Gather your gear 4. Set a goal and train for your adventure 5. Go on your outdoor adventure <p>When you've earned this badge, you'll have planned and learned the skills for trail running or 3 separate day hikes.</p>	<p>Choose your adventure: Go on a long-distance trail run or take a hiking challenge.</p> <ol style="list-style-type: none"> 1. Choose your outdoor adventure 2. Plan and prepare 3. Gather your gear 4. Set a goal and train for your adventure 5. Go on your outdoor adventure <p>When you've earned this badge, you'll have planned and learned the skills to do a long-distance trail run or take 3 separate challenging trail hikes.</p>	<p>Choose your adventure: Compete in a trail race or take a backpacking trip.</p> <ol style="list-style-type: none"> 1. Choose your outdoor adventure 2. Plan and prepare 3. Gather your gear 4. Set a goal and train for your adventure 5. Go on your outdoor adventure <p>When you've earned this badge, you'll have planned and learned the skills to compete in a trail race or a 3-day, 2-night backpacking trip.</p>	<p>Choose your adventure: Coach another girl in trail running or take a multi-day backpacking trip.</p> <ol style="list-style-type: none"> 1. Choose your outdoor adventure 2. Plan and prepare 3. Gather your gear 4. Set a goal and train for your adventure 5. Go on your outdoor adventure <p>When you've earned this badge, you'll have planned and learned the skills to help coach another girl in trail running or planned, prepared for, and completed a 5-day, 4-night backpacking trip.</p>

Troop Camping					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Buddy Camper</p> <p>When you earn this badge, you'll get to see what an adventure camping is! You'll get to play in nature, eat outside, and sleep under the stars with your family, buddies from your troop, or other friends.</p> <ol style="list-style-type: none"> 1. Help plan a camping trip 2. Help pack for your trip 3. Go camping <p>When you've earned this badge, you'll know how to go camping—at a campsite or in a back yard—with your family or friends.</p>	<p>Cabin Camper</p> <p>Plan a camping adventure with your Girl Scout friends or family members and then go camping!</p> <ol style="list-style-type: none"> 1. Help plan your camping trip 2. Learn about camping gear 3. Prepare a camp meal 4. Learn a new camping skill 5. Go camping! <p>When you've earned this badge, you'll know how to plan a camping trip and stay overnight in a cabin with your friends or family.</p>	<p>Camper</p> <p>Find out how to plan a camping adventure.</p> <ol style="list-style-type: none"> 1. Start planning your adventure 2. Gain a new camping skill 3. Find your inner camp chef 4. Try a new activity 5. Head out on your trip—and have some nighttime fun! <p>When you've earned this badge, you'll know how to have a great overnight camping trip at a campsite or cabin.</p> <p>**Please note: This is the same badge & requirements that are listed under the Outdoor section**</p>	<p>Primitive Camper</p> <p>Learn to tackle outdoor activities without the comforts of home.</p> <ol style="list-style-type: none"> 1. Plan a primitive camping trip 2. Prepare your gear 3. Make a camp meal 4. Learn a new primitive camping skill 5. Go camping <p>When you've earned this badge, you'll have planned and gone on a primitive camping trip with a group of Girl Scouts or family members.</p>	<p>Adventure Camper</p> <p>Find out how to add overnight camping to an outdoor adventure, such as kayaking, mountain biking or rock climbing.</p> <ol style="list-style-type: none"> 1. Plan your adventure camping trip 2. Gather your camping gear 3. Plan and prepare your trip meals 4. Use a camping skill on your trip 5. Go adventure camping <p>When you've earned this badge, you'll have planned and gone on a camping trip that includes adventure activities with a group of Girl Scouts or family members.</p>	<p>Survival Camper</p> <p>Test your skills with limited supplies and have an unforgettable experience with your camping crew.</p> <ol style="list-style-type: none"> 1. Plan a survival camping trip 2. Gather your gear 3. Plan and prepare your trip meals 4. Learn a survival camp skill 5. Go camping <p>When you've earned this badge, you'll have planned and gone on a survival camping trip with a group of Girl Scouts or family members.</p>

It's Your World – Change It!

Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Flower Garden</p> <p>1. Explore the world of gardening—plant a mini-garden, learn about composting, find out how ladybugs help flowers, take a field trip to a public garden, or talk to a beekeeper.</p> <p>2. Plan a Take Action project, such as planting vegetables in a community garden or flowers at a nearby hospital.</p> <p>3. Earn 3 leadership awards: Watering Can Award, Golden Honey Bee Award, and Amazing Daisy Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>Brownie Quest</p> <p>1. Find out how to take care of yourself, your family, your Girl Scout sisters, and your community—do an activity with your family to chart everyone's special talents, play games at your troop meetings to learn how to work together, or do a fun “clue hunting” activity to learn the Girl Scout Law.</p> <p>2. Plan a Take Action project, such as visiting a nursery school to read to younger children or teach them a game, creating a school skit about healthy eating, or making a presentation to your city council about fixing a broken sidewalk by your school.</p> <p>3. Earn 4 leadership awards: Discover Key; Connect Key; Take Action Key; Brownie Quest Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>Agent of Change</p> <p>In this Journey, you will:</p> <p>1. Explore how powerful individual women have been throughout history, how your own individual powers can be linked together to create a powerful team, and how your team power can become community power.</p> <p>2. Plan a Take Action project that helps others.</p> <p>3. Earn 3 leadership awards: Power of One, Power of Team, and Power of Community. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>aMaze</p> <p>1. Find out how to develop true friendships, navigate cliques, and move beyond stereotypes, with the ultimate goal of peace in your interpersonal relationships.</p> <p>2. Plan a Take Action Project that shares your new friendship-building skills.</p> <p>3. Earn 3 leadership awards: Interact, Diplomat, and Peacemaker. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>GIRLtopia</p> <p>1. Develop your vision for an ideal world and acquire the skills to make it a reality—paint a mural, write a poem or story, film a video, or perform a show about ways society can improve.</p> <p>2. Plan a Take Action project that addresses an issue in your community.</p> <p>3. Earn the Senior Visionary Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>Your Voice, Your World</p> <p>1. Find out how to advocate for change by networking, planning, and speaking up for what you believe—invite a woman advocate to speak about her work or visit your state capital to find out how to advocate for causes you believe in.</p> <p>2. Plan a Take Action project about an issue you care about.</p> <p>3. Earn the Advocacy Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions</p>

It's Your Story – Tell It!

Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>3 Cheers</p> <p>1. Find out what animals need and how to care for them—go on nature walks to observe animals; visit a farm, zoo, or animal shelter; or create an animal sculpture.</p> <p>2. Plan a Take Action project that teaches others how to care for animals.</p> <p>3. Earn 3 leadership awards: Birdbath Award, Red Robin Award, and Tula Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>A World of Girls</p> <p>1. Find out about girls around the world and how stories can give you ideas for helping others—play a game from another culture, invite storytellers to talk about what they do, or draw a self-portrait that shows what's unique about you.</p> <p>2. Plan a Take Action Project, such as sewing a quilt, painting a mural, writing a play, or creating your own ad.</p> <p>3. Earn 4 leadership awards: Hear a Story Award, Change a Story Award, Tell a Story Award, and Better World for Girls! Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>aMuse</p> <p>In this Journey, you will:</p> <p>1. Explore roles you play in your life and try on new ones—play a role-playing game, invite actors to talk about the characters they've played, or learn to spot stereotypes on TV, in movies, or in ads.</p> <p>2. Plan a Take Action Project, such as putting on a performance that creatively urges an end to stereotyping, drawing a graphic novel to share with younger girls, or starting a “mix it up” day in the school cafeteria and having girls sit with new people.</p> <p>3. Earn 3 leadership awards: Reach Out!, Speak Out!, and Try Out! If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>Media</p> <p>1. Explore media and find out how to reshape negative media messages into more positive ones—invite a TV show producer to talk about what influences her work, organize a movie night and discuss the film's messages, or write a rap song or TV script.</p> <p>2. Plan a Take Action Project that encourages positive messages in media—rewrite a song that has hurtful lyrics about women, create a blog that reviews how movies and TV shows depict girls, or start a Twitter campaign responding to stereotypes you see in the media.</p> <p>3. Earn 3 awards: Monitor Award, Influence Award, and Cultivate Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>Mission: Sisterhood</p> <p>1. Discover the powerful benefits of sisterhood and ways to nurture healthy friendships—invite a women's shelter counselor to talk about her work, role-play friendship scenarios to explore trust in relationships, or create a collage about what sisterhood means to you.</p> <p>2. Plan a Take Action Project that focus on a sisterhood issue you care about—organize a school film club that focuses on positive movies about women, help younger girls expand their friendship circles, or host a girls' mixer.</p> <p>3. Earn the Sisterhood Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>BLISS: Live It!</p> <p>1. Find out how to fulfill your dreams and help others realize their dreams as well—invite an athlete to talk about how she pursued a goal, write songs and create artwork about following dreams, or find and share stories about women who successfully pursued their goals.</p> <p>2. Plan a Take Action Project that helps someone else follow her dream.</p> <p>3. Earn the Dream Maker Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>

It's Your Planet – Love It!

Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Earth & Sky</p> <p>1. Explore nature and learn how to keep the Earth healthy—visit a park or farm, talk to a scientist, or make origami butterflies to celebrate nature.</p> <p>2. Plan a Take Action project, such as planting a tree, creating a garden for a children's hospital, or putting on a play about protecting the Earth.</p> <p>3. Earn 3 leadership awards: Blue Bucket Award, Firefly Award, and Clover Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>Wonders of Water</p> <p>1. Explore the wonders of water by find out more about its importance and how it's used around the world.</p> <p>2. Plan a Take Action project, such as making informative posters, promoting recycling at school, or planting low-water gardens.</p> <p>3. Earn 4 leadership awards: The LOVE Water Award, the SAVE Water Award, the SHARE Water Award, and the WOW! Award.</p>	<p>Get Moving</p> <p>In this Journey, you will:</p> <p>1. Explore energy and how to use it wisely by interviewing power-use experts and conducting an energy audits of a building in your community.</p> <p>2. Plan a Take Action project to fix an energy problem in your community. Your could launch carpools, work to dim the lights on city buildings, or promote energy savings at your school.</p> <p>3. Earn 3 leadership awards: The Energize Award, the Investigate Award, and the Innovate Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>Breathe</p> <p>1. Find out about the air we breathe by visiting a wind farm, talking to an environmental scientist, or doing experiments using wind.</p> <p>2. Plan a Take Action project to fix an air problem in your community. You could plant an indoor garden, campaign against smoking, or push for clean-air initiatives in your community.</p> <p>3. Earn 3 leadership awards: Aware, Alert, and Affirm. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>Sow What?</p> <p>1. Learn about food: how and where it's grown, harvested, processed, distributed, and consumed, and why it matters.</p> <p>2. Plan a Take Action Project to share your knowledge with others—host a farmers market, inspire others to eat locally, or plan a community vegetable garden.</p> <p>3. Earn the Harvest Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>Justice</p> <p>1. Identify global environmental issues and create your own vision for change.</p> <p>2. Plan a Take Action project to address food and land-use issues, improve food delivery systems, fight hunger in developing nations, or rediscover healthy eating traditions.</p> <p>3. Earn the Sage Award. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>

Think Like an Engineer					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>1. Find out how engineers use design thinking to solve problems.</p> <p>2. Do 3 hands-on design challenges: design and build a fairy house, a car powered by air, and a way to get across a canyon.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how engineers use design thinking to solve problems.</p> <p>2. Do 3 design thinking activities: design and build an assistive device, a water collection device, and a device that can launch a ball across a room.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how engineers use design thinking to solve problems</p> <p>2. Do 3 design thinking activities: design and build a paper structure that can support the weight of heavy books, an emergency shelter, and a prototype of a structure that can withstand an earthquake's shaking.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how engineers use design thinking to solve problems.</p> <p>2. Do 3 design thinking activities: design and build prototypes of a life vest for a dog, a model camp cabin inspired by nature, and a prosthetic leg for an elephant.</p> <p>3. Plan a Take Action project that helps others.</p>	<p>1. Find out how engineers use design thinking to solve problems.</p> <p>2. Do 3 design thinking activities: design and build prototypes of a can holder that isn't harmful to animals, a kinetic sculpture, and an assistive device for the elderly.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how engineers use design thinking to solve problems.</p> <p>2. Do 3 design thinking activities: design and build prototypes of an animal enrichment product, a zip line course, and mobility equipment.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>

Think Like a Programmer					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>1. Find out how programmers use computational thinking to solve problems.</p> <p>2. Do 3 computational thinking activities: Building a Foundation, Happy Maps, and Plant a Seed.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how programmers use computational thinking to solve problems.</p> <p>2. Do 3 computational thinking activities: find out about paper programming; create a functional suncatcher to explore algorithms, variables, and functions; and create a personal innovation to discover rapid prototyping.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how programmers use computational thinking to solve problems.</p> <p>2. Do 3 computational thinking activities: create algorithms to make images with tangrams; create mad libs and craft suncatchers to learn more about algorithms, abstraction, functions, and variables; and create a personal innovation to discover rapid prototyping.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how programmers use computational thinking to solve problems</p> <p>2. Do 3 computational thinking activities: categorize various objects as "Computer" or "Not a Computer" to explore the four tasks that define a computer, create a card-sorting algorithm to learn about processing and design technology that will best meet a user's needs using user-centered design.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how programmers use computational thinking to solve problems.</p> <p>2. Do 3 computational thinking activities: create rules for how to stack cards to share messages and learn about encoding information, develop an algorithm for building a simple block arrangement, and test whether an app will meet a user's needs to explore user-centered design.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how programmers use computational thinking to solve problems.</p> <p>2. Do 3 computational thinking activities: build a message-sending machine out of everyday objects to learn about binary, develop an algorithm to find the smallest playing card in a row of cards, and design an app that solves a problem for others to explore user-centered design.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>

Think Like a Citizen Scientist					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>1. Find out how scientists use the scientific method to investigate the world and make discoveries.</p> <p>2. Do hands-on activities to learn how to make observations and collect data.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how citizen scientists make observations, collect data, and work with scientists to receive feedback on research.</p> <p>2. Do 3 citizen science activities: sharpen your observation skills through 2 observation games and a SciStarter project.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how citizen scientists make observations, collect data, and work with scientists to receive feedback on research.</p> <p>2. Do 3 citizen science activities: sharpen your observation skills through 2 observation games and a SciStarter project.</p> <p>3. Plan a Take Action project that helps others. If you're a Girl Scout volunteer, go to Volunteer Toolkit for complete meeting plans and activity instructions.</p>	<p>1. Find out how citizen scientists make observations, collect data and help scientists conduct scientific research</p> <p>2. Do 3 citizen science activities: Make observations about your environment, create a community field guide and a SciStarter project</p> <p>3. Plan a Take Action project that helps others</p>	<p>1. Find out how citizen scientists make observations, collect data and help scientists conduct scientific research</p> <p>2. Do 3 citizen science activities: Make observations about your environment, design a way to test a hypothesis and a SciStarter project</p> <p>3. Plan a Take Action project that helps others</p>	

Bridge To...					
Daisy to Brownie	Brownie to Junior	Junior to Cadette	Cadette to Senior	Senior to Ambassador	Ambassador
<p>1. Pass it On! Share your talents and skills by teaching younger Girl Scouts something you learned to do as a Daisy.</p> <p>2. Look Ahead Spend time with some Brownie sisters—after all, they know all about the fun and adventures Brownies can have together!</p>	<p>1. Pass it On! Share your talents and skills by teaching younger Girl Scouts something you learned to do as a Brownie.</p> <p>2. Look Ahead! As a Junior, you'll find new stars to guide you and become a star yourself! The best way to find out what it really means to be a Girl Scout Junior is to talk to girls who already are Juniors.</p> <p><u>**Brownie Wings**</u> The wings are not earned. They are simply given to Scouts who are bridging from Brownies to Juniors. Scouts who come in as a Junior but were not Brownies, do <i>not</i> get the wings.</p>	<p>1. Pass it On! Share your talents and skills by teaching younger Girl Scouts something you learned to do as a Junior.</p> <p>2. Look Ahead! As a Cadette, you'll set your sights on the world outside your local area. There's no better way to find out what you have to look forward to than by talking with your Cadette sisters.</p>	<p>1. Pass it On! Share your talents and skills by teaching younger Girl Scouts something you learned to do as a Cadette.</p> <p>2. Look Ahead! Go straight to the source! Ask your friends in your local area or go online and connect with Seniors around the country to learn what you can do when you step up to Senior.</p>	<p>1. Pass it On! Share your talents and skills by teaching younger Girl Scouts something you learned to do as a Senior.</p> <p>2. Look Ahead! Explore what it's like to be an Ambassador. What's the best way to do that? Connect with girls who are already there! Girls who have attained the highest level will be happy to share their experiences and give you a leg up in framing your next step.</p>	<p>1. Pass it On! Share your talents and skills by teaching younger Girl Scouts something you learned to do as an Ambassador.</p> <p>2. Look Ahead! More than 900,000 adults empower girls to become leaders through Girl Scouting. Talk to Girl Scout Adults and find out what inspires them. Reflect on how Girl Scouting has influenced your life.</p>

Bronze Cross

This award is given to a girl who has shown extraordinary heroism saving life or attempting to save life **with** risk to the candidate's own life.

Medal of Honor

This award is given to a girl who has shown presence of mind and true Girl Scout spirit saving life or attempting to save life **without** risk to the candidate's own life.

My Promise, My Faith I & II

*****Requirements are the same across all levels*****

Steps to earn the pin:

- 1. Choose one line from the Girl Scout Law.** Find a story, song, or poem from your faith with the same ideas. Talk with your family or friends about what that line of the Law and the story, song, or poem have in common.
- 2. Find a woman in your own or another faith community.** Ask her how she tries to use that line of the Law in her life.
- 3. Gather three inspirational quotes** by women that fit with that line of the Girl Scout Law. Put them where you can see them every day!
- 4. Make something to remind you of what you've learned.** It might be a drawing, painting, or poster. You could also make up a story or a skit.
- 5. Keep the connection strong.** Find out if your faith community offers a recognition program for Girl Scouts. Talk with your friends, family, or a group in your faith community about what you've learned about your faith and Girl Scouting. Ask them to help you live the Law and your faith. Maybe you can show them what you just made or perform your skit!

Adult volunteers from faith organizations partner with girls by:

- Linking the national pin into their faith's religious recognitions
- Guiding girls through their personal faith journey
- Helping girls strengthen their understanding of their faith

Cookie Activity Pin

All girls who participate in the Girl Scout Cookie Program are eligible to earn the annual Cookie Activity Pin. When they earn the pin, invite girls to share their accomplishments in each of the 5 Skills. Here's how to girls achieve the 5 Skills through the Girl Scout Cookie Program:

1. Goal Setting

- Set personal learning goals. What do you want to learn this year? What do you want to do better? Share this with at least one other person or your group.
- Set personal sales goals for yourself based on your personal and group goals. Keep a record of your accomplishments each year!

2. Decision Making

- Develop a basic business plan for your cookie sale.
- Work as a team with other Girl Scouts to decide when and where you'll sell cookies and what you'll do with the money you earn.

3. Money Management

- Develop a budget for accomplishing at least one of the goals you set in the Goal Setting step. Use this budget to help determine your sales goals.
- Be able to explain how the money earned in the Girl Scout Cookie Program helps you, your group and your council.

4. People Skills

- Practice your "elevator speech" for customers about what you are selling, why you are selling it, and why they should purchase it.
- Make a list of customers you will approach. Don't forget people you sold to last year!

5. Business Ethics

- Discuss how living the Girl Scout Promise and Law applies to what you do in the Girl Scout Cookie Program as a businesswoman.

Cookie Entrepreneur I & II (requirements are the same for both (all 3) years at each level)

Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>Teach Daisies to count up the benefits of the Cookie Business! The Cookie Entrepreneur Family Pin program engages the support of family members—whether immediate or extended—as they help Daisies to focus on their individual goals and skills in their second year of selling cookies as a Girl Scout Daisy. Here's how they can earn the pin:</p> <ol style="list-style-type: none"> 1. Set a goal 2. Decide how to reach your goal 3. Practice with money 4. Learn to talk to customers 5. Think like a Girl Scout 	<p>Open doors for Brownies to meet their customers! The Cookie Entrepreneur Family Pin program engages the support of family members—whether immediate or extended—as they help Brownies to focus on their individual goals and skills in their first year of selling cookies as a Girl Scout Brownie. Here's how they can earn the pin:</p> <ol style="list-style-type: none"> 1. Go for the goal 2. Find more customers 3. Be a money master 4. Make your pitch 5. Think like a Girl Scout 	<p>Cultivate her customer insights! The Cookie Entrepreneur Family Pin program engages the support of family members—whether immediate or extended—as they help Juniors to focus on their individual goals and skills in their second year of selling cookies as a Girl Scout Junior. Here's how they can earn the pin:</p> <ol style="list-style-type: none"> 1. Strategize your sales 2. Learn from the past 3. Run the show 4. Fine-tune your pitch 5. Know your product 	<p>Set the benchmarks for her budgeting goals! The Cookie Entrepreneur Family Pin program engages the support of family members—whether immediate or extended—as they help Cadettes to focus on their individual goals and skills in their third year of selling cookies as a Girl Scout Cadette. Here's how they can earn the pin:</p> <ol style="list-style-type: none"> 1. Hit those benchmarks 2. Choose your path 3. Learn about financial planning 4. Grow your network 5. Thank your customers 	<p>Promote her portfolio! The Cookie Entrepreneur Family Pin program engages the support of family members—whether immediate or extended—as they help Seniors to focus on their individual goals and skills in their second year of selling cookies as a Girl Scout Senior. Here's how they can earn the pin:</p> <ol style="list-style-type: none"> 1. Take note! 2. Shout out your strategy 3. Look to the future 4. Segment your customers 5. Show your appreciation 	<p>Get her going with good credit! The Cookie Entrepreneur Family Pin program engages the support of family members—whether immediate or extended—as they help Ambassadors to focus on their individual goals and skills in their first year of selling cookies as a Girl Scout Ambassador. Here's how they can earn the pin:</p> <ol style="list-style-type: none"> 1. Get information 2. Find a mentor 3. Make your personal financial plan 4. Be a sister to every Girl Scout 5. Translate your experience

Safety Award Pin					
Daisy	Brownie	Junior	Cadette	Senior	Ambassador
<p>1. Know who to contact in case of an emergency With the help of an adult, write down your parent's numbers. Discover who to reach out to in case of an emergency and how to contact these people. Create an emergency card.</p> <p>2. Learn how to help if someone is choking Identify the signs of someone choking. Watch a demonstration and practice with an adult, on others, or on large stuffed animals.</p> <p>3. Learn how to "Stop, Drop & Roll" if an item of clothing catches on fire Talk about fire safety including smoke detectors, have a family plan of how to get out of the house, how to crawl on the ground to prevent smoke inhalation and how to stop, drop and roll.</p>	<p>1. Talk to a teacher, parent or another adult about how to stay safe at school. Make a list of the three most important rules for school safety.</p> <p>2. Map your neighborhood Get a map of your neighborhood or town and mark where the emergency services are. Make a list of emergency numbers.</p> <p>3. Find out how your smoke alarm works Test one at home and mark your calendars to change the batteries.</p> <p>4. Choose an upcoming trip you plan to take and make a safety plan with an adult Find out what to do if a stranger approaches you in a public place.</p> <p>5. Find out what natural disasters are most common in your area Discuss what to do during these events.</p>	<p>1. Find out what the most common injuries are for kids your age. Make a list of how you can prevent them. Then do a home safety audit to check for dangers around the house.</p> <p>2. Conduct an emergency drill of you home or the place your GS group meets. In the case of a fire, know where to where your main exit is located, and plan an alternate way to get out if the first exit is blocked.</p> <p>3. Find out how to read weather signs so you know when to head indoors and get to safety.</p> <p>4. Learn about bicycle safety. Research why bike helmets are important and how to check if a helmet fits you properly.</p> <p>5. Go on a hazard-identification walk along a local hiking, bike or horse trail.</p>	<p>1. Learn how to make a room safe for a young child.</p> <p>2. Find out about water safety. Learn to perform a reaching assist to help someone out of the water.</p> <p>3. Teach a Daisy or Brownie what to do if she gets lost and why she shouldn't talk to strangers.</p> <p>4. With your family, make sure you have food, water and medical supplies on hand to last at least three days in case of a natural disaster. Plan for pets! Decide who your outside contact will be in case your family is separated.</p> <p>5. Discuss bullying with your troop, friends or family. Write and sign a personal-responsibility statement that covers how you'll behave at school, home and online.</p>	<p>1. Take a self-defense class or ask a police officer to talk to you or your group about self-defense tips.</p> <p>2. Teach younger Girl Scouts about fire and kitchen safety, water safety or safety on the trail.</p> <p>3. Learn about the dangers of distracted driving and make a poster or PSA about paying attention behind the wheel.</p> <p>4. Help two people to resolve a disagreement peacefully and respectfully.</p> <p>5. Discuss the dangers of alcohol and drug use with your Girl Scout group, friends, or family. Write a personal-responsibility statement that covers how you'll behave.</p>	<p>1. Pick a safety issue important to you, and organize a forum where other teens can discuss the issue.</p> <p>2. Talk to younger Girl Scouts about Internet safety and the safe use of social media.</p> <p>3. List your duties as a counselor-in-training, volunteer-in-training, or in other leadership roles you hold. Carry the list with you and use it to make sure you've covered all your bases when making a safety plan for trips and events.</p> <p>4. Talk to a counselor, social worker, or someone who works at a local women's shelter to find out more about how to stay safe while dating (and at all times).</p> <p>5. Pick a sport or outdoor activity you enjoy. Find out how rules, training and safety equipment are designed to protect players.</p>

Cadette Additional Pins & Badges				
Community Service Bar	Silver Torch Award	Service to Girl Scouting Bar	Program Aid Award	LiA's
The Cadette Community Service Bar is earned by making a difference in the community and practicing the values of the Girl Scout Law. It is also a way for girls to get involved with a cause they care about.	The Silver Torch award recognizes a Girl Scout Cadette who acts as a leader in her community. The award is earned by completing a Cadette National Leadership Journey and serving in a leadership position at a school, place of worship, library, or similar organization.	The Cadette Service to Girl Scouting Bar is earned by volunteering at least 20 hours to the Girl Scout organization. A Cadette can volunteer at a special event for younger girls, be an office assistant for their council or service unit or help with special projects.	Cadettes receive their Program Aide award by earning one LiA award, completing council-designed leadership course training, and working directly with younger girls.	<p>Cadette (Quest) LiA Girl Scout Cadette LiA (Leadership in Action) Award Patch. This award is for mentoring Girl Scout Brownies through the Quest.</p> <p>WOW! LiA Girl Scout Cadette WOW! Wonders of Water Leadership in Action Award Patch. This award is for mentoring Girl Scout Brownies.</p> <p>Media LiA This award is for mentoring Girl Scout Brownies.</p>

Senior Additional Pins & Badges		
Community Service Bar	Silver & Gold Torch Award	Service to Girl Scouting
The Senior Community Service Bar is earned by making a difference in the community and practicing the values of the Girl Scout Law. It is also a way for girls to get involved with a cause they care about.	The Silver & Gold Torch award recognizes a Girl Scout Senior who acts as a leader in her community. The award is earned by completing a Senior National Leadership Journey and serving in a leadership position at a school, place of worship, library, or similar organization.	The Senior Service to Girl Scouting Bar is earned by volunteering at least 20 hours to the Girl Scout organization. A Senior can volunteer at a special event for younger girls, be an office assistant for their council, service unit or help with special projects.

Ambassador Additional Pins & Badges		
Community Service Bar	Gold Torch Award	Service to Girl Scouting
The Ambassadaor Community Service Bar is earned by making a difference in the community and practicing the values of the Girl Scout Law. It is also a way for girls to get involved with a cause they care about.	The Gold Torch award recognizes a Girl Scout Ambassador who acts as a leader in her community. The award is earned by completing one Ambassador National Leadership Journey and serving in a leadership position at a school, place of worship, library, or similar organization.	The Ambassador Service to Girl Scouting bar is earned by volunteering at least 20 hours to the Girl Scout organization. An Ambassador can volunteer at a special event for younger girls, be an office assistant for their council or service unit or help with special projects.
